Principal's Message

Thankyou to all the students, parents and staff for a wonderful year! It is hard to believe that the school year is entering it's final month. We are proud of our students and all they have accomplished!

On May 15th, several of our staff members presented our school goal, "Instilling a love of literacy" with our students during our Learning For Life presentation at the division office. After we were finished presenting, we took a moment to reflected. We were proud at how much we accomplished as a staff and how much our students improved in respects to their reading and writing skills over the last several years. We look forward, as a staff to continue to work on this goal and promote reading and writing skills and strategies in our classrooms! Great job everyone!

● Congratulations to Mrs. Braun on accepting a teaching position at Osler VCA next year! Mrs. Braun has done an outstanding job teaching various grades in the elementary wing and her hard work, dedication and bubbly personality will be missed! We wish you all the best at your new school Mrs. Braun! Thankyou for all your efforts.

Taking over for Mrs. Braun next year will be a familiar face, as Mrs. Comerford has accepted a full time position at our school. Mrs. Comerford split teaching duties between Dalmeny Elementary and Perdue School this past year! She has been an excellent addition to our staff and we are excited to continue to have her on board in the fall. Congrats Mrs. Comerford!
