## Principal's Message -

Wow! Not the most ideal weather to end the month!

It was awesome to see so many parents and students talking about their learning at Student Led Conferences. The look of excitement on a child's face is always special, especially as they discuss their work! Many great conversations took place over the two days and we are appreciative of the feedback from parents and students!

Big "Thankyou" to our SCC for organizing the supper on both evenings and to the students who volunteered their time to serve! We always appreciate all you do to help make our evening a positive experience.

Staff have continued to work on their professional/school goals. We are looking at making an "Impact" in many different areas of My Prairie Spirit Classroom" So please check out our bulletin board where staff has identified their "Impact".

With volleyball winding down, I would like to take the time to thank all of our coaches who have volunteered to make this activity possible. There was so much improvement , by all of our teams and players this year!

Great job coaches!

-Mr. C

## Bus Families

If your child is staying for extra-curricular activities please let the school know they will not be on the bus. This will help us when loading the buses at the end of the day!
