Principal's Message -

Hard to believe that Christmas is less than a month away! I hope that everyone has a safe and relaxing holiday!

Sooo proud of our students and staff for their contributions to our Remembrance Day ceremony! Mr. Brandt and Mrs. Comerford did a great job organizing our ceremony. I am proud of our students for the respect they showed our veterans during the moment of silence. Fantastic job everyone!

Our staff continues to be learning leaders during our bi-monthly staff meetings. They have dedicated themselves to learning more about building relationships, innovation in the classroom and improving their craft! This has been done through conversations, professional readings and reflection of "What is My Impact." Next time you are in the school, please ask a staff member about their "Impact" and how they are looking to make one.

A new Administrative Procedure (AP-903) *Community Use of Facilities and Grounds* has been updated recently, and it states that " prior to using the space for liability reasons, the user group shall obtain and maintain, public liability insurance in an amount of not less than two million dollars." Please be aware that this will be required of any group looking to use the school gymnasium. We also require a copy of the insurance policy for our records. Please contact the school if you have any questions about this new Administrative Procedure
