## Principal's Message -

It was a pleasure to host our superintendent, Faye Cassidy and several Administration teams to discuss our school goals before Christmas. There were so many positive comments about our school and students. It was rewarding to have so much positive feedback from so many people, and we look forward to hosting everyone again in March!

Reminder that grade 7-12 report cards will be handed out on Wednesday February 5, 2020. If you have any questions about your child's progress/marks, please contact the teacher.

As we move into the second half of the year, I would like to thank the staff for all they do outside of the classroom to ensure that our students have the opportunity to take part in activities that are educational and beneficial to their social development. I am proud of our "small" staff and their commitment to ensuring that their activities/opportunities take place, and that our students have a chance to participate in a wide range of activities. Thankyou staff!!
