Principal's Message -

"Yes, it's going to look a little different this year, but at least we are together"

I tweeted these words out earlier this year and yes, it has been a "little" bit different. But with us being together during these unprecedented times it has been the "shot in the arm" that the staff needed. I cannot express in words how appreciative I am for the students, parents and staff for how well the adaptation to the school safe plan has been going. We haven't been perfect, but we have put forth a perfect effort! So "thankyou" for your patience and understanding as we continue to learn together this year!

We have a few staff changes this year. Mrs. Danae Blum has returned to her position of teaching grade 5/6. Filling in for Mrs. Redden, for the first semester is Mrs. Brooklyn Sinclair. We also welcome Mr. Winchester Johnson, our new custodian. Mr. Johnson has taken over for Mr. Davidson.

 Reminder for all parents: We encourage you to sign up for Power School.

The information that is needed to get set-up was sent to each individual before school began. Please call Mrs. Fyson if you need further assistance.

If parents or guests need to drop anything off at the office or for their child, please use the drop-off bin at the front of the school or call the office to arrange time.

If parents are needing to pick-up their child at the school we are asking that you pick them up at their designated entrance. You are welcome to call the school when you arrive and we can have your child meet you.
