## Principal's Message -

Last week we held our first round of parent-teacher interviews. We would like to thank all of our families for being so accommodating given the circumstance. We appreciated the chance to touch base with our families and talk about your child. So, thank you for your flexibility and support during these unique times.

Reminder that if you are picking up your child after school and you are meeting them in a highly congested area on school property, to please wear a mask if you are unable to social distance.

Report cards will be distributed on Friday, Nov.6, 2020. If you have any questions about your child's progress report please contact their teacher. We are happy to discuss any questions you may have.

- As we enter our third month of school, I would like to give a shout out to our
- students who have done a wonderful job of following our school safe plan.
- Staff have repeatedly commented on how our students have put forth their best effort in order to create a safe learning environment. Keep-up the great work everyone!

- Mr.C
