## Principal's Message

This past week the days are getting longer and the weather was getting warmer which has been muchly appreciated! Hopefully, we have an early spring and plenty of sunshine on the horizon.

Congratulations to Rylee Moody! He was recently offered one of the premier entrance awards, the Chancellor's Scholarship-Circle of Honor at the University of Saskatchewan. This is a very prestigious scholarship that recognizes the "accomplishments and potential of exceptional individuals with high academic standing." We, at Perdue School, are extremely proud of Rylee and his academic accomplishments during his time here. It is very well deserved. Way to go Rylee!

Reminder that elementary report cards will be distributed on Friday, March 12th and Student Led Conference's will take place on March 17th and 18th. We look forward to connecting with everyone this month.

I would like to thank the SCC for their kind words and snacks that were supplied during Teacher Appreciation week in February! The goodies were greatly appreciated by everyone!

Although this year has been "different" I would like to thank the parents who have texted me this year and shared their child's successes since they have graduated from Perdue School. It is always wonderful to hear that our former students are accomplishing their goals and that they are excelling in their chosen pathway! To put it simply, it warms my heart to hear that our students are living out their dreams and accomplishing their goals! So, thankyou for all of the positive messages. They make my day!

- Mr.C
