

Perdue Steelers News

April 2021

Principal's Message

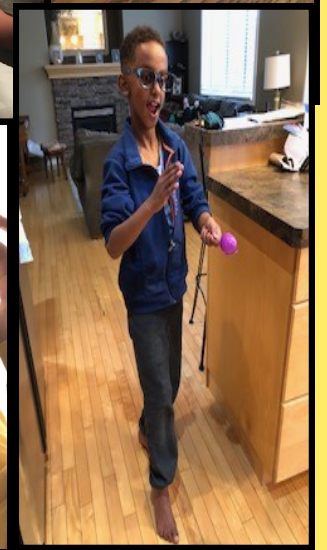

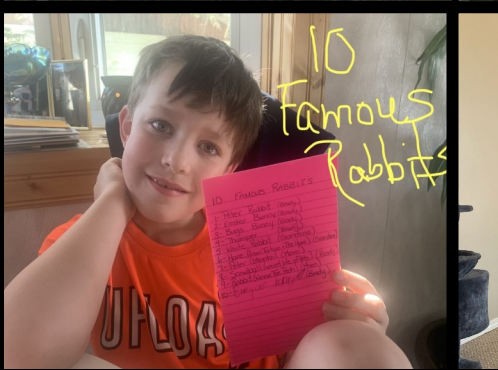

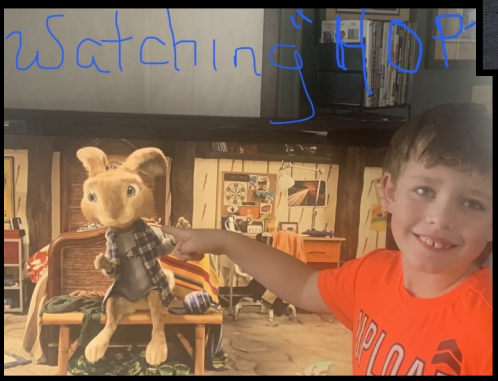

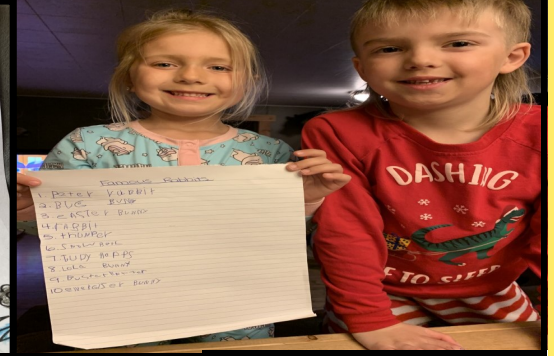

I would like to start off by thanking our SCC for their continued hard work and dedication to Perdue School. The Easter Challenge was a smashing success as we received so many sensational picture's from our students completing the various challenges! Congratulations to the grade 4/5 classroom on winning the classroom grand prize!!

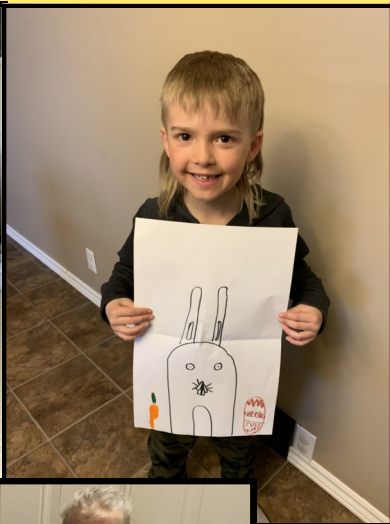

A late provincial budget, similar to last year, has pushed staffing and students course selection back into May. Once we have finalized staffing, the process of meeting with our high school students and course selection will be a top priority. I apologize for the delay, but there are still many unknowns at this time. Thankyou for your patience.

I would like to take time to say "thankyou" to our staff. As I reflect back on the school year and how much we accomplished.....well, I can't say enough about our team. They were asked to do so many "extras" this year and they never complained. It was an amazing sight to see our staff working with our students and the positive vibes that were created between them! I am truly blessed to work with them not only as colleagues, but as friends!
