October 2021

## Principal's Message -

The month of October has flown by. This month we had parent/teacher interviews and it was wonderful to have touched base with families. We truly appreciated the conversations and the positive words from so many during this time! October also saw our Jr and Sr girls volleyball back in action! The smiles on the kids faces was priceless. To see our students active and competing against other schools has been a boost to everyone's spirits! Thank you to all of our coaches for volunteering their time to provide these opportunities for our students.

This year the staff of Perdue School has developed the following school goal.

*"learning response with a focus on mental health needs for students and staff and intervention instruction in literacy."*

- We are in the infant stages of our goal right now, but we are excited to learn more on how to support our students and staff in the areas of mental health and literacy as we work together this year.

We hope that everyone has a safe and happy Halloween.

- Mr. C
