April 2022

Principals Message

Hard to believe that we are entering the last quarter of the year! This year has flown by. It is nice to be back to normal and having families back in our school. I am again, extremely proud and grateful of everyone for their efforts this year.

Our school goal of focusing on "mental health" has kept us busy this year. The staff has done a wonderful job of trying to incorporate new ideas into their classroom while working closely with our amazing new counselor, Carmelle Blomquist. Teachers have also gone above and beyond organizing fun activities for our students. This has been an amazing way for our staff to get to know our students outside of the classroom. The appreciation from our students is felt deeply.

- Report cards were handed out last week for the grade 7-12's. Please contact your child's teacher if you have any questions.
- Finally, I would like to thank the PSSD maintenance department for all of their work updating our booth and music room. They also helped us in creating a workout area which is long overdue. We are excited for these changes and hope to have everything up and running as soon as we can!

-Mr. C

Junior Badminton

It was a short season for junior badminton this year. We had exhibition matches in Vanscoy and Delisle before having our first round of playoffs in Delisle on April 6th. Only Brett and Nelson in boys doubles were able to advance to the second round of playoffs. I would like to thank all the parents for driving and to Mrs. Mason for all her leadership.

Mr. Corrigan

Physics 30 Edmonton Trip

The grade 11 and 12 students in Physics 30 were able to travel to Edmonton for a great learning adventure. On the first day we spent time at Edmonton's Science Centre before going to Galaxyland in West Edmonton Mall to work through worksheets on motion and energy. On the second day we visited the waterpark at the mall to complete questions on motion, energy, and waves. I would like to thank Denise McBee and Merilynn Downey for coming on the trip with me.

Mr.Corrigan

SCC will be holding their AGM on May 5, 2022 at 6:30pm at Perdue School.

Everyone welcome!
