Principals Message

As we head into the last month of the 2021-22 school year, I would like to again, thank the students, parents and staff for an amazing year. There were lots of pivots throughout the year and the flexibility displayed by everyone was truly amazing! So, "Thank You" for the stellar support! It was greatly appreciated!

Congratulations to the Class of 2022!! In a few weeks we will have 14 sensational students walking across the stage to receive their diploma! I would like to thank this class for their tremendous leadership and positive attitudes. I appreciated your hard work in the classroom and commitment to our extra-curricular programs. Thank You for your positive contributions to our school. You are a talented group of students with a bright future, and we wish you all the best as you move onto the next chapter in your life!

The staff, students and SCC worked hard towards our school goal! This past year, we focused on the mental health of students and staff. It was rewarding watching everyone working together to look out and support one another throughout the year. Some of the hi-lites from the past year included:

- Implementing new programs, with the help of our counselor, to help support mental health in the classroom
- Bringing back the Christmas Dinner and Valentine's Day Dance
- The return of extra-curricular activities
- Classroom trips and Activity Days
-and so much more

The teamwork and dedication shown by everyone was greatly appreciated and inspired staff throughout the year to make sure our students were doing ok! Great job everyone!!

Finally, I would like to say "Thank You" to our amazing Staff and SCC! You did an amazing job this year, again, supporting our students and each other!! I am truly blessed to be surrounded by so many talented and caring people!!

- Mr. C
