Bus Cancellation

- Buses are not to run if the combined temperature/wind chill factors result in a reading of -40 degrees Celsius or below at 6:00 a.m. Buses that do not run at the regular time in the morning due to a -40 degrees Celsius combined temperature/wind chill weather conditions are not to run at all on that same day.
 - All Prairie Spirit School Division bus cancellations are prominently posted on the Prairie Spirit website (www.spiritsd.ca/buses) by 7:00 a.m. each school day.
 - Prairie Spirit has a new bus hotline: **306-683-2805** that will list bus cancellations every day.
 - Schools remain open for staff and students despite inclement weather and will only be closed in the event of a threat to health and/or safety. Parents are welcome to transport their children to school at any time during the regular school day.

Bus Note

****Please ensure that your child is dressed for the cold weather in the morning getting on the bus. This includes toque, mitts, a warm coat, ski pants and boots. If the bus were to break down, or worse, have an accident, it would only be a matter of minutes before the bus temperature would drop to close to outside temperatures. Therefore it is important that students are wearing their outdoor clothes, not having them in their backpacks for school.**

****Remember you can check your MyStop App to see where the bus is on the route. This can be especially important on those cold mornings so that your child is not waiting outside for more than the required 5 minutes.**

Principal's Message

We're glad to be back at school and working with the students at Pike Lake School.

Recent weather has interrupted our usual routine as buses were cancelled, but please know that the school remains open for students and staff.

We look forward to continuing the learning journey of the 2019-2020 school year helping students to reach for their best each day.
