

## Pike Lake School Supply List for 2020-2021

Dear Parents and Caregivers,

Thank you for your patience as we waited to receive guidance from Prairie Spirit regarding school supplies for 2020-2021. Providing a safe and healthy learning environment will continue to be our top priority, and so we will adjust our approach to school supplies.

For the 2020-2021 school year, we are asking families to purchase and label their child's individual school supplies. Students will need their own supplies in a hard plastic pencil case that can be wiped down. Students will not share school supplies; this will help to reduce contact between students.

Given the circumstances, Prairie Spirit is recommending we plan supplies for the first two months; this list reflects that. You might also consider keeping extra supplies at home to send with your child as needed.

Staff and students in Gr.4 are required to wear masks when physical distancing is not possible; students in Kindergarten to Gr.3 are encouraged to wear masks when physical distancing is not possible. Spacing student work areas and outdoor learning will allow for mask breaks throughout the day.
