

It is that time of year again and we are launching our Mom's Pantry fundraiser. Monies raised will be used to support Outdoor Education, which is particularly important this year with Covid. We thank you in advance for your support. Everyone is encouraged to participate and collect orders from your friends, neighbors, community members and relatives. You can assist greatly by taking orders at your place of employment, social and sport clubs.

We ask that you have your online orders submitted or paper orders sent back to school by **Monday, November 2**. Please ensure all your contact information is update. We will be in contact with you when the orders arrive and coordinate your pick up date at the school. The delivery will be mid-late November.

*****In keeping with our safety guidelines, online ordering is preferred and it is easy to do. If needed, paper orders will be accepted.**
