

# Before and After School Program

**We are happy to be offering Before and After school care for your community.**

Our Before/After School Program offered by the Vanscoy Early Learning Centre (VELC) is up and running! Hours of operation are 7-8:30am 3-5:30pm, on school days. Cost is \$15 per half day and \$25 full days, with a cap of \$375 maximum fee per month. **To encourage growth of the program, the VELC has reduced the price for a subsequent child from the same family by 50%.** Subsequent children fees will be \$12.50/full day and \$7.50/ half day to a maximum of \$225/month. We have heard from the community that having access to childcare is a determining factor when choosing a school. We hope that our Before/After Program will continue to grow and support our school's enrollment in the years ahead.

Schedules will be required by the 3<sup>rd</sup> Friday of the previous month to book spaces and to arrange staffing. Payment will be due by the first week of the month. \$50 deposit toward fees will be due before start date. Two weeks notice for cancellations. If you are interested in subsidizing fees, there is a bottle program available through Sarcan. On non-school days the Vanscoy Early Learning Center may have childcare available on a first come first served basis.

**\*\*The Before and After School Program is also offering drop-in childcare** for those times when last-minute childcare is needed. The program does require that you pre-register your child/children beforehand. Once registered, if care is needed, you would contact Tobi to ensure there is space for your child/children to attend. Regular rates would apply: \$15 for after school care for 1st child and \$7.50 for any siblings.

Please email Tobi Torresan at **vanscoyelc@hotmail.com** to register.
