Dates to Remember:

Dear Pike Lake Families,

I hope you've stayed warm and safe on the roads this month. February might not be a great time for highway travel, as our bus cancellations have shown, but is it a time if the year when we start to see students turn a corner in their learning. Towards the end of winter, we often see students make significant leaps in the progress as the daily practice of the previous months builds into skill and understanding. At our student led conferences this March we will have an opportunity to review your child's learning and next steps for the last portion of the school year.

Despite the cold, we've been able to skate at the community rink most weeks. Thank you to the community volunteers who maintain the ice, and also thank you to family members who join us on these afternoons. It's rewarding seeing kids progress from wobbly, bent ankles to speeding down the ice.

Looking ahead, our staff is excited to work with our student teachers this March. We also have student led conferences, progress reports, and book fair planned.

Finally, we are close to having a Before and After Care program back at the school. Please let us know if you'd be interested in this service.

Stay warm,

Brian Knowles
Principal, Pike Lake School

Feb. 15-23 – No School – Winter Break
Feb. 24 – K-4 classes resume
Mar. 10 – No School – Prep
Mar. 26&27 – Parent/Teacher Interviews
Mar. 24-27 – Book Fair
Mar 26&27 – Book Fair Night 3:30-7pm
Mar. 28 – Report Cards
Mar. 28 – No School – Day In Lieu

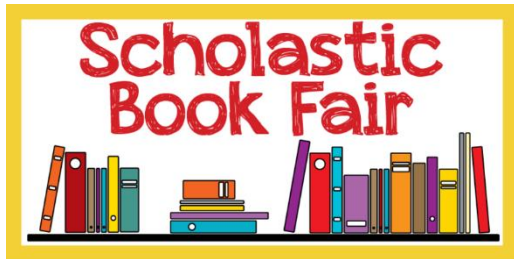

Our Future Enrollment

The complete five-year projected enrolment for our school is being compiled from the information we have to date, which is vital for our future planning. If you know of any families in our community and area that may have young children who would attend Pike Lake School within the next five years, please contact the school.

Parent/Teacher Interviews

Mark your calendar!
Parent/teacher interviews will be held on March 26 & 27 from 3:30-7pm.

Scholastic Book Fair is coming to our school! This year's Scholastic Book Fair will be held from March 24-27. Profits from the Book Fair allows the library to purchase needed books and educational resources . . . and it's fun! More information will follow.

THANK-YOU!

**Thank you for all the wonderful treats and gifts we received in recognition of Staff Appreciation. Our commitment to you and your children is very important to us. Thank you for your ongoing support to our school and your child's education.

** Thank you very much to **Dennis and Terry** for their endless work on the ice rink. We are so lucky to have a rink this close and be able to skate as part of our school day.

Welcome Teacher Candidates

We are very fortunate to have three wonderful student teachers joining our teaching team here at Pike Lake School.

We warmly welcome Ms. Hanson, Ms. Dillan and Ms. Billay to our school family. They will be with us each Tuesday and Thursday until the end of March. We are happy to have these upcoming teacher candidates at our school to learn from and with us!

Join us for Barbie Night!
