

PROGRAM DETAILS

The Saskatchewan Band Association has established this program to provide a summer band camp opportunity for students at a reasonable cost. Day camps are offered in Regina, Saskatoon, and Yorkton. The Kenosee Junior Camp is a full residential camp offered at Clearview Camp in beautiful Moose Mountain Provincial Park.

Each camp offers comprehensive instruction for woodwind, brass and percussion students who have one or more years of playing experience.

The camps are designed to assist in the improvement of performance skills that relate directly to the positive experiences of playing in a large ensemble. The camp provides an excellent way for students to learn new musical and technical skills, make new friends, have fun, and improve sound and technique.

Students will be assigned to a band on the first morning of camp, according to their musical experience and performance ability.

The camps include full band, private lessons, sectional instruction, small ensembles, master classes, theory, ear training, rhythm training, sight-reading, staff performances, recreation and social activities, and a final student's public concert.

Junior Camps: Students who have completed at least one year of playing up to and including grade 9. Advanced junior students wishing to play in the senior band please contact the SBA office or your coordinator.

Senior Camps: Grades 9 - 12 (including graduating grade 12s)

RECREATION

It is not all work at SBA Camps. Although music is the focus, recreation and fun are an essential ingredient in the overall camping experience. In addition to breaks and free time, each day, a wide-array of planned activities keep students active and involved. Depending on the particular camp, students participate in a wide variety of activities during scheduled recreation periods. The fun continues into the evening with activities such as dances, movies, student talent night, faculty recitals and other concerts.

JAZZ OPTION

Some camps may offer a Jazz component. This option will be for interested students who have at least one year of experience in a Jazz Band.

SCHOLARSHIPS

The Saskatchewan Band Association offers scholarships for students who may not be able to attend due to financial reasons. SBA Scholarship applications are made by band directors on behalf of students. Please contact your band director if you are interested in a scholarship due to financial circumstances. Other scholarships may also be available through community organizations, service organizations, music booster groups, and your local school.
