NOTES FROM ADMIN

The staff at Prairie View School want to say a big thank you to the SCC for the gift bag with goodies, the kind notes, the stock the fridge treats, and for the tasty lunch on Friday during Staff Appreciation Week.

It has been very nice to come back to warmer weather this week. The students are really enjoying being outside. Soon enough we will need rain pants and rubber boots!

Mr. Coates and Mrs. Heath*

KINDERGARTEN REGISTRATION 2020 - 21

We are continuing to compile our list for students who will be attending Kindergarten in the 2021-22 school year. Children born in 2016 and who will be 5 years of age on or before Dec. 31, 2021 are eligible to begin Kindergarten in the fall. This is important information for planning programs, budgeting, and staffing for the upcoming school year. If you know of friends or neighbours who have K aged children, please share this information with them.

PROGRESS REPORTS AND CONFERENCES

Progress Report time will soon be here again. Grades 1 – 6 progress reports will be coming home **Friday, March 19th**. Parent-teacher-student conferences will be held on **Thursday, March 25th** after school and into the evening. Information for booking will follow soon. Kindergarten reports were sent home this week. Conferences will be on March 25th as well.

UPCOMING EVENTS

March 8 – No School

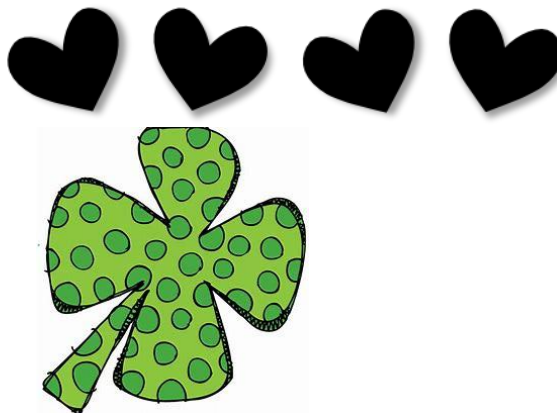

March 12 – Dress up like an Animal Day

March 17 – Dress up Green/Gold Day

March 19 – Progress Reports (1-6)

March 25 – Parent/Teacher/Student Conferences
3:15 – 8:00 p.m.

March 26 – No School in lieu of Interviews

CLASSROOM 6S

This has been a unique year for all of us. Although we haven't been able to do some of the activities we are used to in grade 6, we have still remained busy with learning. Students have completed two genius hour presentations so far this year, where they research a topic of their choice and become an expert on that topic. In science, we are learning about electricity. Students have learned all about circuits and have demonstrated their learning by creating their own circuits. We are currently researching different ways in which electricity is produced. Students are also learning about essay writing by writing an essay comparing a book with its movie. In P.E we have been having fun playing basketball and using the school's curling kits. We have some fun activities planned for the next coming months.

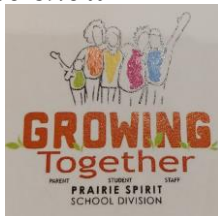

KINDNESS PROJECT

With Random Acts of Kindness Day being in February, 3B read several books about kindness. One particular book that inspired the kids was Ordinary Mary's Extraordinary Deed. After reading, the students decided to start a kindness project to do kind deeds at school, at home and in their community of Dalmeny. The students made Valentine cards and pictures for the residents at Spruce Manor. They also started a kindness challenge in the school the week before the break. Each morning students read a kindness quote to the school over the speaker and encouraged everyone to do something kind that day. Each student made a poster for the staff members at PVS to celebrate them and all they do for our school. The kids also decided on small things they could do at home to be extra helpful, kind and patient and then drew picture square about it at school to form a Kindness Quilt.

I am so proud of these kids for taking this on, coming up with their own ideas and then caring them out the way they did. They continue to look for ways to be kind and helpful.

PRAIRIE VIEW SCC

We want to thank families and SCC members for helping to show appreciation to the staff. We were able to provide snacks, lunch and gift bag to the staff. A special thank you to the Community Church for contributing to the gift bags.

Coming together is a beginning. Keeping together is progress. Working together is success. — Henry Ford

THANK YOU!

Thank You Prairie View students and families!!

**We set a goal of raising \$1000 for Telemiracle and you CRUSHED it!
Even though our fundraising needed to look different
this year, we again beat our goal and raised**

\$1090.00!!!

**Look out staff! The silly string has
been bought and will be used in
the near future!!**
