ROSTHERN COMMUNITY SCHOOL — Relationships, Courage, Success

RCS students, parents, and community members,

The final month of school is finally here! Although it looks very different than the June that we were hoping for, it still brings a sense of closure to 2019/2020 and a variety of exciting activities:

- Grade 12 “Virtual” Graduation on June 19th – this will be a chance for us to celebrate our graduates in a safe, digital way!
- PreK and Kindergarten registration occurs – we all look forward to welcoming new students into our community.
- Grade 10-12 students choose their courses for next year – forms have been sent out and most have been returned (please get yours in if you haven’t already!).
- Students finish off the courses that they are enrolled in – supplemental learning is available to all students until June 19th, and we continue to encourage all families to take part.

This year we will not be announcing class lists (including elementary class splits) until the fall. Due to COVID, a possible influx of new students, and a variety of other factors that come into play when opening a new school, we want to make sure that we have time to plan and make changes as necessary. Thank you all for understanding!

RCS Grand Opening and Meet the staff/families evening: we will send more details on this evening. It will hopefully take place the week of August 24-28. This evening will be an opportunity for students and families to see the new school, chat with staff, see their potential classrooms and arrange for their locker. We will send more details on time and date when we know more regarding our provincial restrictions due to COVID.

In addition, construction at Rosthern Community School will be finished by the middle of June! We will receive keys, start moving in furniture and supplies, and begin the lengthy process of setting up a new building. Staff have all been waiting (im)patiently for this moment for a long time – we can’t wait to start getting everything ready for students to return as soon as they can in 2020/2021.

If there is a silver lining to these crazy times, it is that we have all had a chance to remember how much we love being at school. Despite the fact that staff, students, and parents have all remained connected as much as possible, nothing can replace the daily bustle of school hallways. Until we are all able to be together again, please stay in touch, stay safe, and remember that opportunities for learning are everywhere.

Dear RHS Graduates of 2020,

We are so proud of you.

You have handled this year and this COVID situation with grace and compassion.

You are a hard working group who will be successful in whatever it is you do after Grade 12.

We have enjoyed teaching you these past 7 years and you will be greatly missed.

We look forward to honouring you, our last graduating class of Rosthern High School.

Congratulations!
