ROSTHERN COMMUNITY SCHOOL — Relationships, Courage, Success

What a month April has been! While most of the province has been halted, Graham Construction has implemented best practices to continue the construction of our new school. We want to extend a huge thank-you to Graham for everything they are doing!

Our new digital sign is up and running! Another step of this process is complete! Please contact Mitch if you are interested in a slide on the digital sign! All support is greatly appreciated!

While a lot of our staff have been eagerly learning new platforms to teach students remotely they have also been engaging in activities to create the order supply lists for areas in the new school such as Home Ec/Servery, Physical Education equipment, Arts Education supplies and Science supplies! We want to extend a thank-you to all of our staff who helped in many of these areas! We are happy to say that our school will be fully stocked and ready for the fall!

The month of May always presents itself for getting ready for next school year. The staffing process for schools begins as well as we have been busy working on timetables and new school handbooks to have our beautiful school run as smooth as possible.

Please try to connect with us on social media. Rosthern Community School has a Facebook page and we are on Twitter as well. Two easy ways to stay connected and see new updates as they come!

We hope everyone is staying healthy, happy and safe!
