*ROSTHERN COMMUNITY SCHOOL — Relationships, Courage, Success*

RCS students, families, and community members,

The time has finally come! After years of waiting, the doors at RCS will finally open to students on Tuesday, September 8th. We cannot wait to welcome them, and although COVID-19 might change the way that we do some things, many others will remain the same. This school will be a place of **learning**, a place where students **feel safe**, and a place where they are free to **grow**. This building has been designed especially for them, filled with elements that they asked for.

Although Rosthern Elementary and Rosthern High may no longer exist, the culture and legacy of both schools live on at RCS – we know that students will feel comfortable in their new “home away from home”. By the time we are able to have a community-wide grand opening, our students will be RCS experts who can proudly tour their families and neighbors around their new school. We hope that the community is as proud of our new school as we are – this will definitely be a school year to remember!

All of us at RCS hope that you all have a safe and exciting September.
