ROSTHERN COMMUNITY SCHOOL — Relationships, Courage, Success

RCS students, staff, and community members – happy November!

These first 2 months have REALLY flown by. Despite the challenges that come with COVID-19, September and October have been incredible months at RCS. There is great learning going on in classrooms, students are utilizing all areas of the school, and staff are finding creative ways to keep kids engaged. We are proud of the work that everyone has done to make this year feel as normal and as exciting as possible.

Our first round of progress reports will go home to parents on November 19th. This year most families will receive theirs via email – printed copies will be available where necessary. Please remember that progress reports only provide a brief snapshot of student learning and behaviors – for more detail, please contact classroom teachers directly.

A few other notes for the month:

- **Picture day** is on Thursday, November 5th. More information will be sent home before then.
- The weather is definitely starting to turn colder – please make sure that students are dressed for the weather!
- **All staff and students have a 5-day weekend from November 7th-November 11th, and a day off on Monday, November 23rd.**

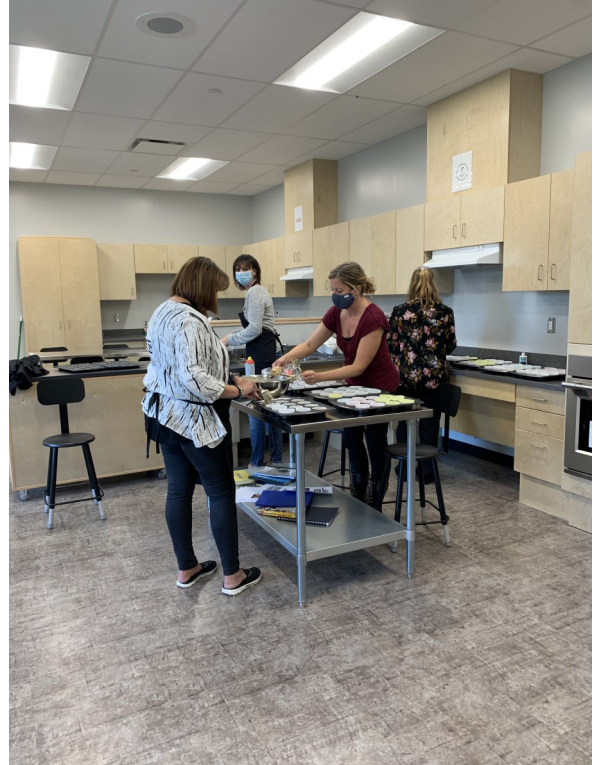

We want to send out another HUGE thanks to RCS students & families for their continued efforts to follow COVID-19 guidelines – all the hard work means that we can keep our school open and that students can keep learning!

Have a great month – as always, please contact the school with any questions that you might have!

FUNDRAISING UPDATE

We are excited to announce that we raised \$3762 with our Little Caesars Pizza fundraiser. Due to COVID our delivery date had to be rescheduled, the new delivery date is **November 20**.

We are now running the winter poinsettia fundraiser. Orders are due Nov 12th.

Thank you for all your support.

[A BIG Thank-You To....]

George and Audrey from Friesen's Bigway for their generous donation towards our accessible playground. We appreciate their support of RCS.
Thank you!!
