Dear Parent/Guardian:

Today, the Saskatchewan Health Authority confirmed a case of COVID-19 in an individual at Rosthern Community School.

Public Health will be contacting parents/guardians of students and any staff/visitors who may have been in **close contact** with the case and providing direction. If you do not hear from them, your child has not been exposed because of the measures that are in place.

As directed by the Saskatchewan Health Authority, a classroom/cohort letter has already been distributed.

We remind everyone entering schools to monitor for any signs or symptoms of COVID-19. Refer to the provincial government's Self-Assessment Checklist before attending school each day.

If you/your child has any symptoms of COVID-19, please call HealthLine at 811 and remain at home. If medical attention is required, please call ahead to your health care provider. If it is an emergency requiring urgent attention, call 911.

For further information regarding COVID-19, please visit the Saskatchewan Ministry of Health website at www.saskatchewan.ca/covid19.

We are working closely with Public Health staff to ensure necessary measures are in place to protect all students and staff. We will continue to provide additional information to parents/guardians as it is available. Please contact me if you have questions.

Sincerely,

Mitch Luiten, Principal
Rosthern Community School
