

# RCS BULLETIN

**ROSTHERN COMMUNITY SCHOOL — Relationships, Courage, Success**

RCS students, families, and community members,

WE MADE IT! June is here, and it's time for us to celebrate many things about the 2020/2021 school year.

First and foremost, I want to celebrate our students. They have been resilient beyond belief – through isolation periods, missing extra-cur activities, and strict COVID guidelines they still attended school every day. They continued to learn, grow, and support each other. They reminded us that they are EXTRAORDINARY and that we are lucky to work with them.

I want to celebrate our families. Despite the challenging things happening in your lives, you continued to support our school, trust us with your kids, and remain patient with us as we learned how to navigate through COVID. I'm sure many of you dread seeing my name pop up in your inbox – I plan to change that next year when the only messages I send are about exciting things happening at RCS!

I want to celebrate our staff. They too have endured many periods of isolation, adapted to COVID rules that constantly changed, and worked tirelessly to help make sure that student learning was the focus of every day. They learned a TON about technology and dug in deep to our school goals work about Learning Intentions and Success Criteria. Despite everything else going on, they still made sure that each student had an opportunity to GROW.

The biggest thing for us to celebrate is that we got to spend our first year together in our INCREDIBLE new school. We didn't quite get to use it in the way we had hoped, and we haven't yet been able to welcome parents inside, but we got to get to know our new home and see how much it has to offer. It is more than a collection of beautiful classrooms and cool furniture – it is a space that is designed to help our kids flourish and to really emphasize our priorities of Relationships, Courage, Success. We are all so lucky to come to school here every day!

I hope that you all take some time to celebrate the great things that happened in your own lives and with your own families this year. We will keep celebrating at RCS through the month of June as we end the year with fun and exciting events – our grade 12 graduation, a variety of local outdoor trips and activities, and making plans for 2021/2022. We hope that you all get to do the same. Have a great June

Mr. Mitch Luiten

---

## RCS PAA SHED PROJECTS

---

Next year the grade 11 & 12 Industrial Arts class are hoping to continue building sheds for the community. Our class is scheduled for the spring term which goes from the middle of April until the end of June. The plan will be for us to complete one or two sheds (depending on interest and class enrolment). We are hoping to find some interested parties (community members, businesses, etc.) who would help us out by buying the finished shed(s) for the cost of the materials that go into them. Sheds are completely customizable to the size that you need and can be finished to match existing buildings.

If you are interested in more information, please call Patrick Wills at the school 306-232-4868 or email: [patrick.wills@spiritsd.ca](mailto:patrick.wills@spiritsd.ca)
