

Welcome to the 2021/2022 school year at Rosthern Community School!

The staff are excited to welcome all students and look forward to our second year together at RCS.

Before the school year gets fully underway, there are a few things that we need from families by **Friday, September 17th**:

FORMS

- **Student Information.** Please update any changes to your child's information (phone numbers, home address, emergency contacts) and return forms to the school.
- **Driver Authorization Form (Policy 807).** Any parents who plan to drive for extra-curricular activities, field trips, etc. need to complete and return this (available on the RCS website).
- **Criminal Record Check.** Any parent who intends to volunteer at the school or drive students must have a completed criminal record check on file.

STUDENT FEES

- **General student fee.** We ask students from kindergarten to grade 4 to pay \$40 (which includes school supplies), and all students in grades 5-12 to pay a general fee of \$20 at the start of the year – this helps to offset the cost of field trips, SRC activities, extra-curricular supplies, project supplies (art, PAA, science), student locks, etc.
- **Athletic fees.** Students will be asked to pay \$20 per senior sport season (grade 10-12, football not included) and \$10 per junior sport season (grade 7-9) – this helps to cover costs associated with transportation, jerseys, accommodations, etc. These are due within the first week of each sport season.

If any families have questions about these fees or may require some form of financial support, please do not hesitate to contact the school.
