Good afternoon RCS families!

I hope you are all looking forward to the break next week – we look forward to welcoming students back to school on February 28th! Here are some changes that will impact our school community over the next little while:

GRAND OPENING

One benefit of upcoming COVID changes is that we can FINALLY start planning a grand opening event in June! This will give all families a chance to come tour around the school and celebrate the first 2 years of RCS. More information and a “save-the-date” to come!

MASK UPDATE

When we return on February 28th, RCS will continue to be a mask-friendly environment for staff and students who want to keep wearing their masks. We thank families for helping their children understand that masking is now a personal choice (much like any other piece of clothing!) and that we will all respect each other’s decisions.

PARENT-TEACHER CONFERENCES

The changing COVID guidelines also mean that parents can choose whether they would like to attend our upcoming parent-teacher conferences in person *or* virtually on Microsoft Teams. To accommodate this change, we have chosen **Thursday, March 24th** as our date for spring conferences. Sign-up information will be sent to families during the first week of March!

OTHER UPCOMING DATES/EVENTS

Grade 1-6 Progress Reports – Thursday, March 10th

Grade 7-12 Circle Letters – Friday, March 11th

As always, please feel free to contact us if you have any additional questions. Thanks!

Mr. Mitch Luiten & Mrs. Andrea Foster
