\$50.00 Supply Fee

Please submit payment on the first day of class – cash or cheque only please.

*Cheques payable to **Rosthern Community School**

I understand these fees will be used for classroom supplies including all notebooks, sticky notes, crayons, pencils, erasers, markers, scissors, rulers, glue, Kleenex, hand sanitizer, duo tangs, folders, etc. and that I am not required to purchase any of these items. We do this to reduce costs for families and to ensure better quality and less waste throughout the year.
