## MESSAGE FROM ADMINISTRATION

Welcome to Rosthern Community School! We are very excited to start this school year! Rosthern Community School celebrates the wide variety of culture and tradition that is steeped in our town. ENGAGEMENT  
ASSESSMENT  
INNOVATION  
RELATIONSHIPS  
RELEVANCE  
RIGOUR

**My Prairie Spirit Classroom**

is diverse in world view, culture, language, gender identity, ability and interests and this is how we learn together.

**All** students participate in side-by-side learning opportunities with me several times a week in each subject area. Side-by-side learning opportunities include descriptive *next steps* feedback or reflective conversations.

In my classroom, 20% of the time consists of whole group teacher talk and 80% of the time is student talk (whole group, small group and independent self-talk).

My instruction includes opportunities for **all** students to construct knowledge, have choice in learning and experience explicit teaching and modelling of learning strategies that students can apply while exploring new ideas and concepts.

Learning opportunities support the wellbeing of **all** students and are characterized by high expectations, personal and purposeful application, collaborative learning environments, risk-taking to consider alternative instructional approaches and student choice.

Formative assessment and various forms of feedback (e.g. self, peer, adult, parents) strengthen and inform my classroom practices and support **all** learners in their progress toward their learning goals.

My teaching begins with big ideas, sharing them with students and teaching and relating parts (knowledge and skills) to the big ideas throughout the learning process. **All** students understand, articulate and can provide evidence of their growth towards the big idea.

At least once a month, I have opportunities to discuss the *next steps* in my personal learning efforts. This can occur through learning walks or collaborative learning with colleagues.

**Strategic Planning Framework**

In Prairie Spirit, our students and adults support one another, challenge one another and celebrate our learning together. We create environments where learners are able to inquire, discover, take risks and apply their learning in the real world. We are developing engaged citizens who demonstrate confidence, courage, empathy and commitment in shaping positive change for the benefit of all.

A final decision will be made at the end of the year.

**CIRCLE OF INTERVENTION LETTERS**

Grades 7-12: October 13, December 8, March 8, June 7.

**LEARNING CONFERENCES:**

Grades 7-12: October 26 & April 18

These are opportunities for students and parents to discuss their learning progress. Should concerns arise that a student is struggling in a particular course, that teacher will be in contact with the parents via email, telephone, or letter.

**ACADEMIC DISHONESTY**

Academic dishonesty will have consequences that vary from a mandatory alternate assignment to removal from the course, depending on the circumstances of the incident. The assessment in question also needs to be redone. The consequences will be at the discretion of the administration and the course instructor. Plagiarism is considered cheating. Plagiarism is when a student uses another person’s ideas or words and does not give the author credit.

### **RCS ATTENDANCE POLICY**

The safety/attendance/education of your child is our first priority. Please call in any absences and lates to the office OR enter absences into your Edsby app.

*Research states that students need to be in class, we want to work with students and families to help support regular attendance. Please read our new attendance policy below.*

5-8 absences: teacher will contact the home via email and phone call.

8-12 absences: administration will meet with the student and parents to determine an attendance plan.

20 absences: students may be asked to withdraw from the course credit.

*\*The exception to this policy is when students arrange with the teacher regarding learning outcomes prior to the absence.*

### **RCS AWARDS**

A variety of awards are given out to deserving students in June each year. Criteria for awards will be established by school staff, and selections will be made by staff committees (with the exception of awards that are sponsored entirely by outside agencies).

### **GRADUATION POLICY**

Graduation exercises are a school activity, and they are generally held on the Friday evening after the long weekend in May.

Students eligible for graduation must:

Be registered in sufficient credits to graduate.

A minimum of 45% at the end of term 3 in required courses.

Be under 22 years of age.

Exercises include a banquet and a graduation program. The graduating class in cooperation with a staff advisor plans school-based graduation activities. Any other "after-grad" will not be considered a school-sponsored activity.

The graduating class is permitted to sponsor fund-raising projects during the year to help defray the costs of the exercises. All monies fundraised though the school belong to the school.

Valedictorian Selection: RCS staff will generate a list of eligible candidates for the graduating class to vote on. Criteria for eligibility will focus on academics, attitude, and school/community involvement.

## BEHAVIOR EXPECTATIONS

**Responsibility of being a student at RCS: When a RCS student observes a plan to threaten, or harm (physically, emotionally, verbally) another person it is their duty to tell administration immediately.**

At RCS, we have five overarching expectations that we believe foster a safe and productive learning environment for all students. We expect that:

1. Students will arrive in class on time with their books and materials.
2. Students will attend to the lesson and will not disrupt or interfere with the teaching or learning in the classroom.
3. Students will be respectful and speak with common courtesy to all individuals in the room, and elsewhere in the school. School-appropriate language will be used at all times. Profanity will not be tolerated.
4. Students will comply with all reasonable requests, whether from teachers, EAs, substitute teachers or other support staff, in an appropriate manner and time frame.
5. Students will respect the building and all items/property within it. We ask that students take pride in their school.

Protocol of steps if these behaviour expectations are not met. Should a situation arise that is persistent in nature, the following protocol will be followed:

1. Situation dealt with at the classroom level.
2. The student is referred for an administrative visit.
3. **The student, teacher and administration will determine a plan. Parents will be notified.**
4. The student and their parents will meet with the teacher and administration to come to an understanding on how best to deal with the ongoing situation. Referral to the school counsellor will be made.

## COMMUNICATION PROTOCOL

If students or parents have concerns or questions about an issue at school, please follow this communication process:

1. The classroom teacher is to be the first person to hear and address any concerns from a student or parent.
2. If the issue cannot be resolved with the teacher, the principal is to be contacted.
3. If the matter remains unresolved, the parent may request a meeting with the superintendent.
4. If further discussion is required, the parent may ask to meet with the Director of Education.
5. Finally, the parent may request the issue be heard by the Board of Education.

**DRESS CODE**

Rosthern Community School encourages healthy, positive lifestyle and choices. We know that clothing provides an opportunity for students to express themselves – we also want to ensure that the clothing of staff and students does not distract from teaching and learning. We believe that certain clothing is not appropriate for a school setting, including:

- **Shirts or tops that expose too much.**
- Exposed underwear.
- Clothing that displays sexual or graphic images, advocates/advertises drugs, or alcohol, or promotes offensive/discriminatory messaging.
- Sunglasses (indoors).

These expectations are not designed to hinder anyone's right to choose clothes, but instead they are intended to assist students with the development of positive and responsible attitudes toward situationally appropriate clothing. Like all student conduct, student dress is subject to staff approval – if deemed inappropriate, staff members may provide students with alternate options (ex: change into gym clothing, wear school-provided clothing, or go home to change).

**TWO SHOES**

**Thank-you for sending an indoor (non-marking soles) for physical education classes. Students will NOT be allowed in the gymnasium with outdoor shoes on.**

**CELL PHONES**

**Grades 7 are not permitted cell phones in the school.** Any students in this grade will have them confiscated and left at the office.

**Grade 8 students are permitted their cell phone ONLY at breaks. They are not to be in the classroom. Discretionary use can be decided on the classroom teacher.**

Grades 9-12 students will leave their cell phone in their locked locker. Phone use will be restricted to school breaks unless specific permission is granted by a staff member. Cellphones will be confiscated by school staff if used inappropriately or in violation of teacher instructions. *Parents are reminded that they should contact the school office should they need to get in touch with their children.*

**INTERNET ACCEPTABLE USE PROCEDURES FOR STUDENTS**

Access to the Internet is an individual privilege, not a right. Any student who violates these guidelines or any other code of conduct outlined by an individual school will have his or her access removed for such period of time as is deemed appropriate by a teacher, the teacher librarian or school administrator.

**DRUG, ALCOHOL, AND TOBACCO USE**

Students are not permitted to use tobacco products or vaping devices on school property or within direct sight of the school.

Students are not permitted to possess, use, or be under the influence of any drug (including marijuana and alcohol).

### **EXTRA-CURRICULAR ACTIVITIES & FIELD TRIPS**

Extra-curricular activities and school trips are a privilege to attend, and all school rules apply to both. Course academic trips are considered compulsory, and attendance is mandatory. Participation in extra-curricular activities or field trips may be withheld if students fail to meet academic expectations.

### **BICYCLES AND SKATEBOARDS**

Bikes, skateboards, and similar modes of transportation are to be used to get to and from school only. During the school day, including the noon hour, they should not be used on or near the school property for any other purpose.

### **LOCKERS**

Lockers are school property, and the school reserves the right to inspect lockers at any time. Wherever possible, each student will be assigned an individual locker. Only authorized locks may be used, and a record of the combination must be kept in the office. The school is NOT responsible for articles missing from lockers. Students are advised to make certain that lockers are locked at all times and are advised not to give out their lock combinations to any other students. Students will be required to clean out their lockers on the designated day at the end of June. The school will not be responsible for any articles left in the lockers after that time.

### **SCHOOL SURVEILLANCE**

RCS is equipped with surveillance cameras within the school building itself as well as around the outside areas. Please be aware that these cameras are on 24 hours a day.

### **PARENTS DRIVING FOR SCHOOL FUNCTIONS**

According to PSSD policy, parental volunteers, approved by school administration, are permitted to transport students for school events. A criminal record check is required. It is recommended that they carry \$1,000,000 liability insurance on their package policy. **It is school policy for students to not transport other students unless specific arrangements have been made through school administration.**
