SCP School Mission and Vision 2022-23

SCP School aims to support students as holistic learners, honouring the spiritual, social/emotional, academic, and physical development of each learner. SCP recognizes the interconnectedness of all learning and of creating a safe, caring and engaged community.

S.C.P. has always stood for SHARING, CARNG, and PERFORMANCE, and we continue to strive for strong academics, as well as a warm and welcoming school climate.
