1. Principal's Report

a. Staffing Update

- New Bus route driver Leanne Pirness started today.

b. Other Updates

- Hawaiian Day and Dance went awesome. So much fun was had and there definitely will be more.
- Intra-murals for Grade 4-7 will start in the New Year.
- SCP is introducing a Polar Bear Club. Grades 5-7 will start and will add grades as we go along. This is where kids will have permission from parents to go outside on cold days where there is usually indoor recess. The kids will need to be dressed appropriately for the weather. Some days it will just be a run to hill and back and some days the kids will spend the whole recess outside, will depend on temp.
- Basketball will be the next extra curr.
- K play groups are going well. Kirsten to find out if it is possible to have a later start time for parents who are unable to attend due to work.
- Edsby has been rolled out and soon parents will start seeing pictures of events/activities happening in classrooms and in school.
- Report cards on Edsby can be printed by the teachers if requested. There was a glitch in the system that did not allow printing at first but that has been corrected.
- December 22nd school wide field trip is a go. Buses will leave the school at noon and return at 3.
- Math activity night – Kirsten to send group availability dates and group will choose. Maybe Grade 7s can help run sessions as we needed volunteers, and we had low sign-up last time we tried.

c. School Clothing

- School Clothing can be ordered through Entripy shops year-round and the clothing will be shipped directly to families. The school will receive 10% of all sales.

d. Upcoming Dates

- Kirsten contacted OSAC and they will notify us of a date for the Grandfather Troll presentation.
- The Lantern Walk and Bake Sale will be held on February 8th.

e. Christmas Concert

- 2 Concerts : December 20 & December 21 at 7pm
- Grade 7 will do both concerts and do the play portion of the concert.
- Everything is going well with the concert. Kids have been practicing and are very excited.
- Reminders to be sent out to families via facebook, planners and Edsby for families to bring nut free baking to the concert.
- Lindsey D. to buy Hot Chocolate, candy canes and cups.
- Santa has been contacted and he is excited to come.

b. First Day back to school Pancake Hot Lunch

- Lunch: 3 Pancakes, 2 sausages, 1 orange, 1 apple juice box for each student
- Danielle will pick up supplies from Costco. Danielle to notify group when she is going to Costco so a couple people can get sausage and cook them at home prior to lunch.
- Griddles – Tarren, Lindsey D, Nicole, Lindsey M, Kirsten, Danielle?
- Tarren will send out an email on January 2nd to follow up with group and make sure everything will be ready.
- Lunch will be staggered by class so not such a rush.

c. Discussions

- Smaller pizza sizes. Individual or slices only. It is too much for children to finish and then there are issues storing large pizza boxes for the remainder of the day.
- DQ Nut Free issue. Advertised on website that Dilly Bars are pre packaged therefore nut free however on the package itself it says may contain nuts. It was decided that after January bookings we will no longer order from Dairy Queen and we will look at other options (Booster Juice)
- *After the meeting all Dairy Queen days were removed from heathy hunger and any orders placed were cancelled and the money from orders were credited to those families accounts.

3. Treasurers Report

- a. Financial Update was reviewed.

4. Fundraising

- a. Turkey Trot Fundraiser made approx \$6,000 total which is amazing. All money raised by the kids stayed in their individual classrooms.
- b. Pinnies
 - Decided to go with reversable from ATC IF numbers, logos, shipping costs are included in price on quote. Allison to give update to group. Tarren motioned and Morgan seconded. The group all voted and was for this decision.
 - Lindsay H. to provide update with sponsorship for pinnies
- c. Discussion on possibilities around art auction and maybe doing an art calendar.

5. Other

- a. Kirsten to book a Scholastic Book Fair at the same time as our next parent/teacher interviews.
- b. Discussion around interviews being held prior to report cards. Was a concern with group as usually report cards are reviewed at interviews. Kirsten to send out a survey to parents to get everyones feedback.
