Meet the Team - Curriculum Information

Curricular Outcomes can be located here: [Saskatchewan Curriculum](#)

Mr. Pietersma and Mr. Galapon (Intern Teacher) -

Math, Social Studies, PE, PAA

Mrs. Baker - ELA, Science, Genius Hour, Health-Career Ed

Mr. Debert - Arts Ed

Ms. Brouet - Library, PAA

Mrs. Willick - French and Cultures

If you have a question about the learning your child is participating in, please feel free to contact the specific teacher working with your child or Mr. Pietersma and I will direct you to the appropriate staff member.

South Corman Park School - Safe Caring Performance

Our Learning Environment

Our classroom space is a **nut free environment**. Due to a severe allergy, please keep food containing nuts home.

Our students will be leading the milk program this year as a leadership and fundraising opportunity for our classroom excursions. Students will be working in a variety of breakout spaces throughout the school depending on the learning activities.

New for this school year, students will have access to an Industrial Arts shop (September construction) for PAA time. Students will be working on basic carpentry skills, foods, and we will be planning for a year end camping trip experience as some highlights for the year.

South Corman Park School – Safe Caring Performance

Communication and Student Agendas

Edsby will be our main source of communication for student absences, reporting, and school/classroom announcements. Emails may also be used to communicate student celebrations, questions, and/or concerns. Students have been provided with an agenda and are expected to bring the agenda to school each day to record important school events for the week and upcoming assessments or assignments that may be due. This is a small but important way of developing life skills, independence, and responsibility for future academic success. Assigned homework will occur when students need additional time or practice to work on their learning skills.

Or feel free to shoot us an email any time! We will do our best to return communication as soon as possible.

SCP and SCC Meet and Greet

We're so excited to meet our families and show off our school and classrooms!

Please join us at the school on **Sept. 13, from 5:30-6:30** for Meet the Teacher Night. Our SCC will be hosting and providing snacks. Teachers will be in classrooms from 5:30-6:00 to meet families and discuss the upcoming school year.
