Registration for 2024—2025 has started!

If you have a child or children that will be attending school at SCP in the fall of 2024 or if you are considering SCP for your child or children, please call (306-477-0001) or email the school (scp@spiritsd.ca). The child must be 5 years of age on or before December 31, 2024, to register for Kindergarten.

Kindergarten

Children currently registered at SCP do not need to be registered again.

Changes to enrolment: Please advise us as soon as possible if your child will not be returning in the fall.

Staffing decisions can begin in March so your earliest attention to this would be appreciated.

We invite you to visit the following [link](#) which contains a few short videos on the importance your role as parents is regarding at home learning with your young child(ren) as their first teacher to their development.

Cold Weather Gear:

Cold weather is a reality for much of the year in Saskatchewan.

Our school wants our students to be able to enjoy being outside for recesses, weather permitting. We also want students to be safe on their bus/car ride to and from school. Please consider the temperature and weather conditions when assisting your child with clothing for the day.

- We expect all students to have outdoor winter gear once colder weather hits. This should include mitts, hat, neck warmer, boots, coat, ski pants.
- Most winter days will require a bare minimum of coat and mitts for our grade 6-8 students, but K-5 will be expected to gear up for each recess.
- Ski pants are required for students playing on hills.
- On colder days, we will require all students to wear full winter gear.
- For students of all ages, a change of clothes is helpful if clothing gets wet or need an additional layer.

We check the weather conditions before each recess. There will be times when the weather and the wind chill are deemed too cold for outdoor recess. Everyone will stay in on those days. Otherwise, students are expected to go out for recess.

~~~~~

**Bus Cancellations:**

When weather is extreme, and/or when temperatures (with wind chill) hit -45, schools typically remain open, but buses don't run. If weather/road conditions improve, buses will run at the end of the school day.

You can check the website <https://www.spiritsd.ca/buses/> for updates between 6 and 6:30 am and between 12 and 1 pm. Please feel comfortable making the decision that's safest for your family and let the office and your **child's** teacher know if your child will not be at school.

*Parent Pick Up and Drop Off*

Morning Drop-Off - When buses are not running, parent vehicles can enter through the north entrance on Baker Road, forming a single file drop-off line parallel to the sidewalk in front of the school. Please have students exit the vehicle curbside adjacent to the front doors. Vehicles can then proceed south and exit east to Range Road. Students are welcome to enter through the front doors.

Afternoon Pick-Up -

Loading Zone pick-up - 2:20-3:20

Based on buses, students can be picked up during the following times:

- 2:20-2:30—Darlene's bus
- 2:30-2:40—Jared's bus
- 2:40-2:50—**Myles'** bus
- 2:50-3:00—**Janice's** bus
- 3:00-3:10—**Leanne's** bus
- 3:10-3:20—parent-driven students

Vehicles can line up adjacent to the sidewalk, facing in a southern direction and a staff member will send your child out to the vehicle. Please make sure your child is able to recognize your vehicle.

\*We recognize that this might not be convenient in all situations; please contact the office if you need to make alternate arrangements.\*
