3.A	<p>Playground Presentation by Kelly from 1Stop Playgrounds:</p> <ol style="list-style-type: none">1. Playground examples shown were for ages 2-12. We can look on the Henderson website at playground options.2. Supervised installation is cheaper than the company doing all the work; we would have to find someone to dig site, prep, line locate, provide skid steer, post auger, order concrete, provide welder and other equipment, and have roughly 12 volunteers. Start at 8am for supervised installation. Volunteers would have to apply surface material. Can save roughly \$20000 to \$30000.3. Site guy Peter, facility connection in Rosthern, would have info on tender process and RFP options if we went this route. Admin would need to call Andrea Foster at Rosthern School for assistance with process.4. Borders optional, need border between different surfaces. Need 6ft border around structure.5. Surface options include: sand, fake turf, rubber or mulch. Rubber is approx. \$20/square foot and mulch is approx. \$2/square foot.	Kelly from 1Stop Playgrounds

3A	<ol style="list-style-type: none"> 6. Discussed ideas to add more onto existing playground as well as add a ninja course for the older children that will eventually attending the school, as well as make our existing playground have an accessible area 7. If wanting to see example of a ninja course Ranch Ehrlo (out by Martinsville) has an example but would need permission to view the course as it is gated. 8. Ninja course approx. \$70000, but can make our own design based on budget 9. Spider webs climber for grades 5 and 6, approx. \$40000 depending on size, many different size options available. Web lasts approx. 20-25 years. 10. Zip line is approx. \$30,000 11. \$250,000 for decent size playground area, group discussed we would start with a \$200,000 goal for fundraising for playground area – Motion by Tarren and All were in Favor 12. Phase approach options for playground build are available through company, as well as build a design based on our budget. Planning for design and ordering materials approx. 8 weeks (about 2 months) needed for company. Design would only take approx. 10 days. We would have to provide 50% deposit to place the order and the balance would be due upon installation. 13. Kelly will send email to Kirsten with information on Grant options, which include Credit Union, FCC, Co-op, Telemiracle, and Shercom. 14. The old Before and After school care program is donating \$10,000 to school for Playground fundraiser 	Kelly from 1Stop Playgrounds
