Grade 3 & 4

About Me

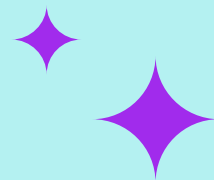

Hi! I'm Mrs. Prokopetz and I am so excited to be teaching grade 3 and 4 this year! I live in Saskatoon with my husband, our boys Benson (12) and Henry (10). In my free time, I love to cook and garden. I also love the outdoors and being in nature. I have a lot of hobbies and am always interested in finding new ones. I love teaching because I love to make learning fun for others!
