# SCP Spirit Days!

## Watch Edsby for upcoming SCP Spirit Days!

### Spirit Sports Recap

Both the Blue and White Volleyball teams had successful seasons in the CVAC league this season. We saw tremendous improvement in our athlete's skills, fantastic sportsmanship and awesome team experiences for our students. Team White finished their season with a playoff game in Langham. Team Blue finished their season hosting a playoff game at SCP versus Allan. A special thank you to coaches, Mrs. Dahl, Mrs. Boutin, and Mr. Pietersma for their volunteer time in working with our Spirit athletes.

Once again SCP was able to offer an Elementary Volleyball skills development sessions. A special thank you to community coach Carlli Chohaniuk, Mrs. Anderson, and Mrs. Baker for their support and development of our future Middle Years Volleyball players.

New for this year, SCP hosted elementary soccer skills development sessions. In September, community coach Emily Ness and Mr. Pietersma worked with approximately 50 Spirit athletes on their soccer skills. We are so thankful for our community support and being able to offer these experiences for our Spirit students!

Upcoming - will be our Middle Years Basketball season in December, January and February. Mr. Debert will be leading our Spirit team. Carlli Chohaniuk will also be leading our basketball elementary skills sessions starting in February.
