

SOUTH CORMAN PARK SCHOOL

January 2025

GAP Presentation (Gambling Awareness Program):

On Jan. 22, grade 3-8 students will have the opportunity to learn more about how to develop healthy online habits and responsible decisions regarding screen time, gaming, social media, etc. For more information about the GAP presentations, please visit www.SaskGAP.ca or contact your child's teacher.

2025-2026 Registration is open!

Country Kids Cooperative Preschool:

Registration opens to previous and current families on Monday January 15, 2025, and will open to new families on February 1, 2025. Please visit ckcpreschool.com or email ckcpreistrar@gmail.com for more information

Prairie Spirit School Division:

If you have a child or children that will be attending school at SCP in the fall of 2025 or if you are considering SCP for your child or children, please call (306-477-0001) or email the school (scp@spiritsd.ca). The child must be 5 years of age on or before December 31, 2025, to register for Kindergarten.

Children currently registered at SCP do not need to be registered again.

Changes to enrolment: Please advise us as soon as possible if your child will not be returning in the fall. Staffing decisions can begin in March so your earliest attention to this would be appreciated.

We invite you to visit the following [link](#) which contains a few short videos on the importance your role as parents is regarding at home learning with your young child(ren) as their first teacher to their development.

REMINDER - send an emergency lunch to school!

Who is this?

Bring your guess to the office for your chance to win a prize for your class!!

Travel / Family Vacations:

We know that family trips are wonderful opportunities for children! Sometimes, those trips occur during school instructional times. South Corman Park School staff have developed a framework to assist you in planning your trip so you can minimize disruptions to your child's education and maximize the learning opportunities that travel can offer!

[Travel to our website for more info!](#)

Fundraisers:

Like many schools, South Corman Park School raises funds to provide additional opportunities for our students that would be outside our typical budget allocations. We appreciate the tremendous support of our SCC and school community! More information about our school fundraisers can be found in the student handbook on our school website.

[Listing of this years fundraisers can be found here!](#)

REMINDER - it's Winter!

Cold weather is a reality for much of the year in Saskatchewan.

Our school wants our students to be able to enjoy being outside for recesses, weather permitting. We also want students to be safe on their bus/car ride to and from school. Please consider the temperature and weather conditions when assisting your child with clothing for the day.

- **We expect all students to have outdoor winter gear here once colder weather hits. This should include mitts, hat, neck warmer, boots, coat, ski pants.**
- Most winter days will require a bare minimum of coat and mitts for our grade 6-8 students, but **K-5 will be expected to gear up for each recess.**
- Ski pants are required for students playing on hills.
- On colder days, we will require all students to wear full winter gear.
- For students of all ages, a change of clothes is helpful if clothing gets wet or need an additional layer.

We check the weather conditions before each recess. There will be times when the weather and the wind chill are deemed too cold for outdoor recess. Everyone will stay in on those days. Otherwise, students are expected to go out for recess.

Pop-up Polar Bear Club:

When the weather gets chilly (usually around -27c, with wind chill), we schedule an indoor recess. However, we know many of our students still love to be outside and are willing to bundle up and brave the cold, so we try to schedule pop-up Polar Bear recesses when possible.

Students are given the opportunity to go outside and play for a bit, providing they're fully bundled up. Polar Bear Club is totally optional, and we do a cozy check as students head out. If your child is interested in a Polar Bear recess, please ensure they have a warmcoat, ski pants, toque, mitts, neck warmer/scarf/balaclava.

Also, we would really appreciate anyone who is interested in volunteering to help supervise! Please contact the school if you'd like to help out!

Congratulations to Enzo who submitted a correct guess for the
December newsletter contest!

Tues/Thurs Kinder kids will enjoy a class party! YAY!
