If I could have any superpower, which would I choose?

From A-Z, make a list of something you like for every letter!

Who is your hero? Why?

Imagine a giant box is delivered to you. What's inside?!

If you were in the circus, what role would you play?

What do you want to be when you grow up? Why?

Write a story about life 500 years from now.

If you could invent something, what would it be?

Make a list of things that make you happy.

Write a story using these 4 words: monkey, house, movie, & laugh.

If you could travel anywhere in the world, where would you go?

Imagine you flew to space & discovered a new planet. Now what?

Write about a time you felt really happy.

If you had one wish, what would it be?

Make sure to send a picture to Miss McGregor of any writing you are doing! You should aim to write at least three to five sentences per week!!
