

Grade 8 Band News

The Grade 8 band did fantastic at the Twin Rivers Music Festival in Dalmeny! They came away with the highest score of all 12 bands that participated, as well as an award for the top band in the festival. Great work!

Our next performance will be when we go to Regina for the Springfest Music Festival on **Saturday, May 25**. We will be leaving the school in the morning and returning in the evening. We will have room on the bus if any parents would like to join us for the day. The program for the festival is not out yet so I will send a note home when the location and time of our performance is announced. Our day will consist of our performance, stopping at a mall food court for lunch and then laser tag before we head back home.

The laser tag does come with a fee. Everyone will need to pay \$20 by May 15 to off set the cost of the day, as well as bring their own money for lunch, or pack a bag lunch. We will also stop at Davidson for a bathroom break on the way there and back.

Please return the bottom half of this page, or email your permission to attend.

As well, we will be having an at school concert day on Wednesday, May 29. We will perform at 1:00 for the school and 7:00 for parents and the community. It is important that everyone do their best to attend these performances as everyone has an important part in the group.

As well, our uniform is all black clothes.

Marcy Racicot

VMS Band Teacher

_____ will be attending the band trip to Regina on May 25.
