

Principal's Post

We are in the beginning of March and currently enjoying a week of beautiful weather. Along with this we get to enjoy longer hours of daylight throughout the day. Many people have commented how nice it is to drive to work in the morning in the light of day. As spring is around the corner and we look forward to everything turning green once again, it brings new life outside once again and hope for all. But as fellow believers we rejoice because our hope is not in earthly things but rather "Our hope is from Him", Psalm 62:5. "For thou, O Lord, art my hope, my trust, O Lord, from my youth", Psalm 71:5. We put our trust and hope in our Lord, our Savior, not because of what he said, but because of what he did. What he did on the cross one Friday. Because he died on the cross for you and me, we are free. Free from sin, shame, guilt, and worry, on earth and in heaven. May we remember this as we move closer to the Easter season and thank Him for all he has done for us.

A few notes on school, Elementary Report Cards go out Mar.18th. Parent/Teacher interviews will be held on Apr.20th & 22nd. We have went through a computer role out over the February Break where all our technology was updated in the building. This includes 6 Apple iPads in each Elementary class and 14 Chrome Books in each High School class. This allows classes to access technology in their classrooms when needed and reduced the school to one computer lab.

As the weather continues to warm up, please continue to send your children in appropriate clothing (ie. splash pants, rubber boots, etc).

There are a couple bus driver changes starting next week. Maxine Scott retired at the end of last year and Teresa Bueckert has been covering that route as a sub all year. Rita Peters will now be the driver of bus #456 and we welcome Leona Neufeld to VCA driving bus # 449. Leona has been driving a route in Warman for many years and will now drive for VCA.

Enjoy the month of March as we move from winter into spring.
Mr. Laskowski

We understand that there are not enough slots in every class for all parents to book. If this is the case for you, please connect directly with the teacher to arrange a time that's convenient for both of you. We are committed to being available for all parents who wish to book an appointment.

Even though we have scheduled interviews twice a year, please feel free to connect with your child's teacher at any point in time during the school year about their learning.

Around the School....

February 25th marked the 100th day of school and some of our elementary students have aged quite a bit since September !!

Grade 9 girls did an excellent job of creating masks that reflected the different characters in Romeo and Juliet

A Note from Mrs. Wiebe....

The grade threes have had a great start to 2021! Having started teaching after the school's winter break, I was welcomed to the classroom with smiling faces and eager students, ready to learn. We have completed many fun and intriguing science experiments relating to forces, have had some great discussions about what it means to show love as a Christian in Christian Ethics, and have enjoyed a few spirit days, with Bible Character Day being one of my favorites! While this school year has certainly been unique, we have so much to be thankful for in the grade three room and are excited for the months ahead. The grade threes and I can't wait for the days to get warmer and for spring to come!

God bless, Mrs. Wiebe
