Principal's Post

Isaiah 61:11 "For as the soil makes the sprout come up and a garden causes seeds to grow, so the Sovereign Lord will make righteousness and praise spring up before all nations." Spring reminds us of new life which underpins our very existence as a Christian School. We trust this spring you are reminded of the rich blessing of our new life in Christ and that reality is experienced daily by our students here at VCA.

Recently our school production of Charlotte's Web was presented to three very full audiences. Our staff and students worked tirelessly, and we were very proud of the final performances. Congratulations to all involved! Further school presentations and celebrations occurred with the Grade 4 poetry Café, a MacBeth banquet and the Choir singing at both Grace Mennonite and school chapels. Again, we congratulate all on their fine performances.

Our badminton has wrapped up for the year with several excellent performances from our students. Congrats to the team and coaches on the season. As the badminton season drew to a close our VCA athletics team began systematically training and developing ahead of the CVAC championships to be hosted at the Gordie Howe Sports Complex on March 18th. We wish all our athletes well.

Lastly, you will notice many new adults in our building over the next couple of weeks as the University of Saskatchewan has sent 9 student teachers to learn alongside our tremendously dedicated staff. We trust the learning is a rich experience for all.

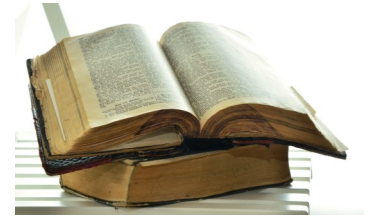

Enjoy the change in weather!

In Christ,

David Cameron

AROUND THE SCHOOL....

Grade 1's are having "Mystery Readers" come into their classroom. They are given clues and then they have to guess who the reader is.

We have started a new club in the library called **Create It!** The purpose of the club is to give students optional activities to do at noon other than the computer lab and the gym. So far, we have Lego, coloring, friendship bracelets, Sudoku, wordsearches, and puzzles. This club is made to be inclusive so that all students feel like they can pull up a chair and contribute. If you would like to donate supplies to this club, please check the list below for how you can help. Supplies can be left at the office or brought directly to **Mrs. Froese**. If you have any ideas for other inclusive activities for this club, feel free to drop those off as well. Thank you in advance for your contributions!

- coloring books
- thin markers
- 300-500 piece puzzles
- drawing pencils
- activity books
- Lego
- Pencil crayons

SPORTS HIGHLIGHTS....

High School Track and Field

The high school track and field meets are approaching very soon. The Conference meet is on May 18th and will be held at the Gordie Howe Sports Complex in Saskatoon. Athletes that place 8th or higher will advance to the District meet which will be held on May 26th at the same location and the same schedule of events. Grade 9-12 athletes that place top 2 at the District meet will advance to Provincials which is on June 2/3rd at the same location in Saskatoon. All the best to the VCA athletes.
