

Venture Heights School Vision: *A Collaborative Community of Learners*

A collaborative community of learners is a place where everyone is teaching and learning. Teachers, students, parents and community members all contribute to the fulfillment of our Vision and Mission.

Venture Heights School Mission: *At Venture Heights School we work together to meet the needs of individuals in a positive, safe and caring environment. We inspire one another to take positive risks, accept challenges, solve problems and grow. We celebrate diversity, respecting others as unique, contributing individuals while building relationships and developing interdependence. We promote positive, joyous, learning for life.*

Venture Heights School Moto: *Learning - A Lifetime Adventure*

Venture Heights Staff

Collaborative Community of Learners Commitment Statements

1. We will collaborate with parents in the development of partnerships for improving student learning.
2. We will collaborate with students through the learning process to improve learning.
3. We will collaborate with colleagues to develop and support strategies that improve student learning.
4. We will strive to base instructional decisions on research, proven practice, and assessment data.
5. We will set high standards for learning by providing clear expectations and specific academic and behavioral goals.
6. We will nurture positive, caring, learning-focused relationships.
7. We will provide positive, safe and caring learning environments.
8. We will provide opportunities for the development of positive character traits such as empathy, acceptance, respect, personal integrity and humor.
9. We will respect, support and celebrate diversity.
10. We will promote positive risk taking and recognize and celebrate accomplishments.

Venture Heights Parents and Community
