

Counsellor's Corner

Welcome back! It is great to be back and to feel the excitement and enthusiasm of the students as they begin a new year. I would like to take this opportunity to remind you of the counselling services available in the school for students who are experiencing challenges that are impacting them at behaviorally, socially, or academically at school. Students may be referred to me by a parent, guardian, or staff member, or may ask to come in and talk themselves. For those of you who are new to our school and community, I will be connecting with all students who are new to the school in the near future. I am looking forward to once again working with the students, parents, and staff of Venture Heights School to assist in meeting their needs and helping to make this year a successful one.

If you have any questions or concerns, or think I might be of assistance in any way, please feel free to contact me at the school at 934-2185 or via e-mail at patsy.ippolito@spiritsd.ca
