Pourquoi Tales

Storytelling/Drama

JUNE IS A BUSY MONTH

In Language Arts, we are working on our First Nations Unit which involves storytelling, creating story circles, and maskmaking.

During Writer's Workshop, we are writing a Pourquoi Tales. This is a story that explains a natural occurrence. For example, Why Rabbits have Long Ears. It has been challenging but very fun at the same time.

In Math, we are working on decimals to hundredths. This includes adding and subtracting of decimals. We have also been working on area and perimeter. This is challenging since we need to add more than 3 addends

or multiply. We are struggling but are getting better with more practice.

In Science, we have studied habitats. We are now focused on learning about the Burrowing Owl.

In Social Studies, we have been studying First Nations in Saskatchewan. We will soon start studying the Metis of Saskatchewan so we are prepared for our last fieldtrip to Batoche We will visit Batoche on June 21st. We will be leaving at 8:00 We want to have the full experience rather than rushing through everything at the National Park. A letter will be coming shortly to explain the entire trip.

In Health, we have been studying netiquette and online safety. We have enjoyed learning about how to stay safe online.

Track and Field is the main focus for Physical Education. We will continue to practice until Track and Field Day , June 6th It will also be Family Picnic on that day. Your child will only participate in the Martensville Meet on June 19th if he/she places in the top 3 at our school. A letter will be sent home if he/she is to compete.

Drama will focus on our storytelling unit of Paul Goble stories featur-

SWIMMING

Remember that library books are due back June 7th.

Our class along with the Grade 4's from VHS will be going swimming as part of our PE program. The dates are June 19th at 10:00 and June 25h at 11:00. They will need a swim suit and towel. They may need waterproof sunscreen depending on the weather. They can bring goggles but no

waterguns etc. No concession available so please do not send any money.
