

In collaboration with public health officials, the Ministry of Education has prepared a **Parent Information Package** for the new school year.

The package includes:

- Information on the Safe Schools Plan
- General tips for parents and caregivers
- Mask wearing information for children
- Information on testing options and processes
- Information on COVID-19 notification and illness in school
- Information on the threshold for changes to in-classroom learning

Please go to the Prairie Spirit [website](#) to view the **Parent Information Package**.

The Ministry has also posted other links for parents, including ***COVID-19: Learning Supports for Families and Teachers***, on the government [website](#).

Thank you!
