

(grade 8 families)

Good Morning,

There will be changes to student transportation to Martensville High School (MHS) this fall.

High school students who live at least 2 km from the school will continue to be eligible for busing while anyone within the 2 km boundary of the school will not be eligible.

Please see the updated Martensville [map](#) on the Prairie Spirit transportation website.

These changes are being made to improve the efficiency of our bus routes and in response to ongoing low ridership to MHS.

Please note:

- Students in Martensville must re-apply for a bus pass for the 2021/22 school year by the end of June.
- This reapplication process is part of our overall plan to update our urban busing practices and services.
- As a result of the changes to the walking boundary to MHS, some current applications may not be approved.
