Integrated Arts

Venture Heights School in Martensville is offering a specialized, full year integrated arts program for Grade 8 students in Martensville. Students will be provided opportunities to foster imagination, creativity and personal interpretation of ideas and topics while working on the Grade 8 curriculum in a creative, unique, and experiential classroom. Learners will build their understanding through collaborative projects that support authentic, motivating and engaging experiences. The Integrated Arts program will nurture Prairie Spirit's next generation of local citizens, artists, and leaders.
