

Are you new to Martensville and want to meet new people?

Have a little one starting school in the fall, a great way to meet some future school friends

Do you have an energetic child that needs to burn off some energy?

Come play soccer with us!

Jerseys, shorts, and socks are included in your fees, (you just need to provide shoes and shin guards), looking this good, our Lions will be intimidating before we even walk on the field

Some travel is required, however it's a great opportunity to visit the surrounding towns hidden gems. (An excuse to stop for ice cream at Lil'Bean in Rosthern after getting the game winning goal, or treating yourself to a cinnamon bun from Hague's bakery)
