

Waldheim School Grade 4 Supply List 2020-2021

Dear Parents/Guardians,

I have had to re-examine my supply list going into next year as we won't be able to have communal supply spaces. It would be helpful for you to purchase the following supplies for your child for the 2020-2021 school year.

However, please do not feel pressured to buy all of the supplies if they are not in your budget. We are all coming out of stressful situations from this pandemic and I do not want to increase your financial stressors with school supplies. I have placed an "*" beside the supplies that I believe are the most important.

Laura Shirley
