

Subject offerings are dependent upon enrollment/staff allocation.
In some cases, students may pick up to two courses from different grade levels if they have the pre-requisite.

The course descriptions are on-line under Registration
<http://blogs.spiritsd.ca/warmanhigh>

This is a working copy to help you decide on your courses for the year, in consultation with your parents – once you have this done – sign in to Power Student –on the left menu bar select “Class Registrations” – and follow the instructions to complete your course selection for next year.

******Also remember that if there is not enough interest in a course, or if the staffing allotment does not have time to teach the course, it will not be offered and you will be asked to choose something else.******
