

Sandra Herbst - Big Ideas in Assessment

A workshop for SCC Chairs and Administrators

Wednesday, February 4, 2015, 7 - 8:30 p.m.

Prairie Spirit Division Office, Warman

Sandra Herbst, CEO of connect2learning, is a noted system leader, author, coach, and consultant with almost twenty years of experience in education. She has been working closely with Prairie Spirit School Division since 2011. Sandra brings extensive classroom and school experience and a practical approach to leading learning.

In this session, Sandra will focus on the big ideas in assessment as well as providing a Canada-wide context for the changes in our schools. Participants will also be provided with practical approaches for supporting schools and parents with understanding the changes in assessment and reporting.
